

The beginning of 2019 will begin our pre- registration for this year's fantastic Summer Camp Program! The benefits of signing up early are as follows: Our operating hours in the summer are from 7am-6:00pm. This allows for more time for fun and activities. We have began planning for our 2019 summer camp program already and have many new and exciting events, activities, and equipment that will be set to make this year's summer camp better than ever. We have multiple activity rooms which allow us to provide arts and crafts, inside structured games and activities as well as Motivational Martial Arts Classes. We will also be setting up new equipment to offer more activities for the children during down time. We will still go on our daily fieldtrips during the summer as well with some that are scheduled each week and are focused on educational learning. Our program is designed to meet each child's needs based on age appropriate activities and self-confidence building opportunities. When you are working you can be assured that your child is in the hands of people that are trained in CPR and First Aid, and that truly care about the well being of your child. Your child will be having lots of fun in our summer camp and most importantly will develop a "Yes I Can" positive attitude! What an exciting time this is going to be! We will have a limited amount of space, so please take advantage of our pre-registration of \$169.00 per week during (January, February, and March ONLY) with no down payment or registration fees required. We also offer multiple sibling discounts. Please don't hesitate to call with any questions! Another big benefit is that we pick up children that attend school during the summer. We service most schools that are in session during this time. We look forward to reserving your child's place in our 2019 Summer Camp program.
